JAMES GRAHAM Chairman.

Dated at Lisbon, Sept. 9, 1922.

Stale Highway Cambisoners, it is the rubber company as a very fair indication of what is going on, perhaps in a minor way, in a great majority of industries. We, for instance, have been so busy supplying an ever-increasing market that we find the twenty-four hour day all too short. We are obliged to have three sets of employers working in three shifts of eight hours each.

"How fast the rubber industry is take ing its place as one of America's industrial leaders may be judged from the ed 150 per cent, over the month of April and our May and June business, compan-ed with May and June of last year, near-

> this moment our sales are running high-er than ever before in the history of Goodrich." I am sure that it is not too optimistic to look forward to the time when every industrious and intelligent working man will be able to afford a modest automo-

Notice is hereby given that the Board of Selectmen and Town Clerk of the Town of Montville will on Saturday, Sept. 18th, 1922, from 9 o'clock in the formoon until 8 o'clock in the afternoon, at the Town Hall, Montville. Conn., hold session to examine the qualifications of electors and to admit to the electors oath those who shall be found qualified and whose names have been certified on the list "To Be Made." ly doubled. Sales of cord tires since January o fihis year have been doubled those of the first five months, and at

will be able to afford a modest sutomobile. Production of the low-priced cars was never greater than it is today, and scientific competition is so healthy that no one is able to predict how cheaply a car may be put on the market tomorrow. The greater the output of cars the greater, of course, the demand for rubber tires and other automobile equipment. Prosperity in any one line means equal prosperity in all the related industries. So you can see, I'm sure, the sort of hopeful, encouraging message I am gladly carrying from the United States to England, Frace and Germany."
